We pass on our lower operating-cost model directly to you

Ascend Transportation

We specialise in broking and making deals happen. Our transportation division is able to provide solutions from start-ups through to complex fleet arrangements. We are able to offer innovative self-insurance or telematics-based options and provide you with full access to all insurance markets, along with some exclusive Ascend facilities.

We are able to also provide solutions for:

- ✓ Goods In Transit
- ✓ Legal Liabilities
- ✓ Property Damage
- ✓ Loss of Operators License
- ✓ Financial Risks
- ✓ And more

We are true brokers. Please contact us today to find out more
