Business Insurance Solutions

Vehicle Camera & Telematics

Front Facing CCTV & Telematics

One price per annum per vehicle which includes fitting and data costs. Access footage from anywhere at any time.

Instant Accident Notification

Automatic accident alert with photos. Instantly access accident footage as evidence of what happened.

Live Vehicle Tracking

Know where your vehicles are and where they have been. Instant defence against spurious and fraudulent claims. Instant alert options included.

Driver Behaviour Management

Monitor harsh braking, sharp turning, aggressive acceleration. Download video following bad driving reports as evidence for disciplinary action.

Claims Costs & Premium Reductions

20% lower claims costs on average where Telematics are fitted to a fleet. Lower claims costs mean lower premiums.

We are helping our clients improve profitability and enhancing the cover obtained within their programme.
