Discover an Insurance Broker that does more for your business

We are focused on providing a solution to risk issues for all types of construction trades. We employ sector professionals who use their market knowledge to position and place your risks with the right insurer at competitive pricing – ensuring that coverage and service is at the forefront of design.

Our vision is simple. We offer more than just a policy - we deliver distinctive insurance solutions, and we promise a superior local customer service.

No two businesses are the same.

So, when it comes to construction insurance, everyone has very different requirements that they need to ensure are correctly covered. At Ascend we are experts at arranging your cover to fit your business.

We have developed specialist facilities and partnerships that offer a viable alternative.

We would be delighted to assist you with any requirements you may have or to provide an alternative opinion on your present arrangements.
